## Web Developer | Laravel Enthusiast

Iloilo City, PH | +63 994 8215 637 | arjohnjudealagao@gmail.com

---

### ABOUT ME

I am a passionate web developer focused on learning and mastering Laravel, a powerful PHP framework. I aim to create engaging, user-friendly websites while continually enhancing my skills in front-end and back-end development. In my free time, I enjoy PC gaming, movies, and outdoor activities like motorcycling.

---

### TECHNICAL SKILLS

- **Web Development:** PHP, Laravel, JavaScript, HTML, CSS
